EVERY General Motors car is built to repre-sent General Motors quality and value throughout its life. Whether its potential mile-

age is to be used up by one owner or several owners makes no difference. That is the reason for the high resale value of the current series of the General Motors cars,

It is also the reason why USED General Motors cars offer real opportunities. General Motors dealers are dependable merchants and will give you, if you wish to buy out of income, the advantage of the low rates of the GMAC Plan of time payment.

The price ranges of the new General Motors cars are given below. Fick out the car which interests you most. Then clip and mail the coupon. We want to tell you all about that car and also why General Motors cars, used or new, offer real value to their purchasers.

8 models—\$525 to \$780. The quality car of the low-priced field. 3-speed transmission. Dry-disc clutch. Smooth, powerful engine. Fisher Bodies. Duco finish. Fully equipped. CHEVROLET TRUCK CHASSIS: 1/2-ton, \$395; 1-ton, \$495.
